Madrid, 29 May 2020.

Relevant event:

Lleida.net will provide Alphabet España Fleet Management of registered contracting services for its car rental services.

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 06/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, "Lleida.net" "The Company" or The "Group"):

Alphabet España Fleet Management S.A. has engaged Lleida.net's electronic contracting services to manage its renting contracts to its clients.

Alphabet España, part of BMW group is a specialized company in multi brand leasing services, fleet management and corporate mobility, for businesses, professionals, and public institutions. Alphabet offers services in 30 countries, has 2,800 employees, and operates a fleet of over 700,000 vehicles. In Spain, it manages a fleet that exceeds 55,000 vehicles.

Current lockdown measures make traditional delivery methods difficult to use, signature of notifications and contracts, since they cannot be delivered or signed in person, and they are gradually being replaced by electronic notification procedures such as those developed and patented by Lleida.net.

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler

CEO and Chairman of the Board of Directors
