

17 November 2015

Relevant event: LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. signs an agreement with Banco de Desarrollo Industrial, S.A. in the Dominican Republic

Pursuant to the provisions of the Spanish Alternative Investment Market Circular 9/2010, we are hereby notifying the market of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, "Lleida.net" or the "Company").

Lleida.net and Banco de Desarrollo Industrial, S.A. (hereinafter, "Banco BDI") in the Dominican Republic have signed an agreement for the use of certified electronic communications. Banco BDI has already set up the service for its clients to offer secure processing.

Electronic communications certified by Lleida.net optimise Banco BDI's notification and contracting processes by taking advantage of the power of the digital economy and gaining in legal security as evidence is collected on all communications issued throughout these processes.

Banco BDI is a financial institution which offers a whole range of multiple banking services that is known for offering personalised, professional, trustworthy and secure services in the Dominican Republic. At the same time, the Dominican financial system is one of the most dynamic in the Caribbean and Central American region.

For Lleida.net, the agreement with Banco BDI is one step further in its internationalisation process. The company currently has clients in more than 40 countries and is present on 4 continents.

Sincerely,

In Lleida, 17 November 2015

Francisco Sapena Soler

CEO of Lleida.net
