

29 March 2016

Relevant Event: Lleida.net announces the two-year renewal of its alliance with the Colombian official postal operator 4-72

Pursuant to the provisions of the Spanish Alternative Investment Market Circular 9/2010, we are hereby notifying the market of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A (hereinafter, Lleida.net or the "Company") Lleida.net and 4-72, have renewed for two more years their alliance to provide registered notification services by email and SMS in Colombia. The two companies started their partnership project a year ago, whereby Lleida.net became 4-72 technological partner for the provision of the above mentioned electronic services.

The value of this two-year business cooperation agreement, for the purpose of arranging insurance policies, is 951 million Colombian pesos (276,000 euros).

Lleida.net has launched an expansion plan being the Latin American continent one of its priorities. In this regard, 4-72 agreement does reinforce Lleida.net strategy focused of growth in stable countries and with a strong development potential.

Sincerely,

In Lleida, 29 March 2016

Francisco Sapena Soler
CEO of Lleida.net
