RELEVANT EVENT

Patent for Lleida.net registered email method in Colombia has been granted for a 20-year period

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 15/2016 of the Spanish Alternative Investment Market, we inform LLEIDANETWORKS SERVEIS TELEMÀTICS S.A ("**Lleida.net**"):

Through resolution 89119, the Superintendency of Industry and Commerce of Colombia has granted the patent requested by the IT company Lleida.net for its registered email method, the so-called **METHOD TO REGISTER AND TO CERTIFY THE DELIVERY OF ELECTRONIC EMAIL** for a 20-year period

The granting of this patent enables to consolidate the growth and the acceptance of Lleida.net services provided in Colombia through our subsidiary LLEIDA SAS and particularly through our partner SERVICIOS POSTALES NACIONALES SA (under the brand name 4-72), the Colombian postal office.

We are available for any clarifications needed. Sincerely,

Lleida, 27 December 2016
