

## **RELEVANT EVENT:**

### **Lleida.net is granted the European patent for its registered email method**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 15/2016 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEDIANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, “Lleida.net” or the “Company”):

The European Patent Office has granted Lleida.net, the European patent EP2632096 – **Method for certifying delivery of electronic messages** for 20 years. The grant of this European patent will protect the method developed by Lleida.net in 38 countries including Spain, Germany, France, England, the Netherlands and Italy among others, and it joins to those already granted by the same method in Japan and in the USA.

At the same time, the granting of this patent allows Lleida.net to gain a competitive advantage since the delivery of registered emails is the cornerstone for the development of online services, in particular those related to banking and insurance services, as well as fintech and insurtech ones.

We are available for any clarifications needed.

Sincerely, Lleida, 13 February 2017.

Francisco Sapena Soler  
CEO and Chairman of the Board of Directors
