RELEVANT EVENT:

LLEIDA.NET OBTAINS THE PATENT FOR REGISTERED EMAIL IN CHINA, IN THE COUNTRIES OF THE GULF COOPERATION COUNCIL AND IN AUSTRALIA

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 15/2016 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEDIANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, "Lleida.net" or the "Company"):

The notification and certification services of Lleida.net have received the granting of the patent of their registered email method in China with ref CN 104145454 B, in the countries of the Gulf Cooperation Council with reference GC2013-23609 (Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and the United Arab Emirates) and in Australia with reference UA 2013223989.

These latter patents together with the previous ones enhance, on a global basis, the potential and intellectual property rights of Lleida.net electronic notification and certification services. This is particularly important now that fintech services and global regulatory standards are demanding the certification of transactions.

Sincerely, Lleida, 30 August 2017
