RELEVANT EVENT

LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.

Japan, New Zealand and Taiwan grant Lleida.net new patents for its registered methods of sending and receiving emails

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions as well as Circular 15/2016 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to (hereinafter, "Lleida.net" or the "Company"):

Patent and intellectual property authorities of Japan and New Zealand have granted to Lleida.net for a period of 20 years, the patent of their method for registering incoming email under the name "METHOD FOR THE REGISTRATION AND CERTIFICATION OF RECEIPT OF ELECTRONIC" coming from requests number 2015-537274 and 707300 (3) respectively.

Likewise, the Taiwan Patent Office has granted Lleida.net, for a period of 20 years, the patent for its method of registered electronic mail under the name "METHOD FOR THE CERTIFICATION OF ELECTRONIC MAIL DELIVERY", coming from request number 102105794.

These three grants rise to 75 the number of patents on methods of certification, contracting and electronic notifications granted to Lleida.net globally thus expand the Asian marketplace.

The method of Lleida.net allows notification through text messages, generating a certificate with legal validity that can be presented as evidence in court to prove the sending, the content and delivery of information.

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler
