## **RELEVANT EVENT**

LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.

### **Chinese authorities grant a patent for Lleida.net registered email reception system**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions as well as Circular 15/2016 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS S.A. (hereinafter, "Lleida.net" or the "Company"):

The State Intellectual Property Office of the People's Republic of China has granted Lleida.net the patent for its Registered email receipt system called "METHOD FOR RECORDING AND CERTIFYING THE RECEPTION OF E-MAIL", which was registered on June 22 with number CN 104782086 B for a 20 - year period.

This grant raises to 3 the number of patents in China on methods of certification, electronic contracting and electronic notification available to Lleida.net and raises to 76 the patents granted for these services worldwide. These patents provide Lleida.net a distinct advantage in a strategic market in the coming decade.

The Lleida.net methods allow the company to be a digital witness of any electronic notification or contracting, issuing a certificate admissible in evidence to prove the sending, the content and delivery of any information.

We are available for any clarifications needed.  
Sincerely,

Francisco Sapena Soler, CEO
