**Argentina to grant patent for its Method for the certification of the delivery of electronic mail**

16 April 2019

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A: (hereinafter, "Lleida.net" or the "Company"):

The Argentine National Patent Administration has granted Lleida.net (BME: LLN; EPA: ALLLN) the patent for its so-called Method for Certification of the delivery of registered email

The term of patent is currently in force for 20 years, it is Lleida.net first patent granted in Argentina on certification and notification methods as well as of digital witness for electronic contracting and electronic notification.

The granting of this patent allows the company to expand its business in the booming market of electronic notification and Contracting in Latin America.

We are available for any clarifications needed.  
Sincerely,

Lleida, 16 April 2019.  
Francisco Sapena Soler  
CEO and Chairman of Board of Directors
