# Constant double digit growth in sales and margin

Second consecutive year with sales figures above 23%

The annual margin exceeds 6 million euros, and it is the second consecutive year with double-digit growth.

# Constant double digit growth in solutions sales

Increase in SaaS sales by one million Euros in one year thanks to the consolidation of large accounts and to the internationalization.

Wholesale sales doubled in two years, and reaching growth rates of over 40% each year.

# EBITDA increases by 30% doubling the operating result

EBIDTA increased by 32% with respect to fiscal year 2017, and exceeded 1.8 million euros.

Second consecutive year with a positive result and already exceeding half a million euros.

# Generation of cash by the organic activity of the group

## Reduction of the NFT

Net financial debt is 1 time EBITDA, due by the group's efforts both to reduce costs and to invest the surplus generated in the amortization of loans.

# Notes and forward - looking statements

This document contains statements related to our future business and financial performance and future events or developments involving Lleida.net that may constitute forward - looking statements. These statements may be identified by words such as “expect,” “look forward to,” “anticipate,” “intend,” “plan,” “believe,” “seek,” “estimate,” “will,” “project” or words of similar meaning. We may also make forward - looking statements in other reports, in presentations, in material delivered to shareholders and in press releases. In addition, our representatives may from time to time make oral forward - looking statements. Such statements are based on the current expectations and certain assumptions of Lleida.net’s management, of which many are beyond Lleida.net’ control. These are subject to a number of risks, uncertainties and factors, including, but not limited to those described in disclosures, in particular in the chapter Risks in t he Annual Report. Should one or more of these risks or uncertainties materialize, or should underlying expectations not occur or assumptions prove incorrect, actual results, performance or achievements of Lleida.net may (negatively or positively) vary materially from those described explicitly or implicitly in the relevant forward - looking statement. Lleida.net neither intends, nor assumes any obligation, to update or revise these forward - looking statements in light of developments which differ from those anticipated.

This document includes – in the applicable financial reporting framework not clearly defined – supplemental financial measures t hat are or may be alternative performance measures (non - GAAP - measures). These supplemental financial measures should not be viewed in isolation or as alternatives to measures of Lleida.net’ net assets and financial positions or results of operations as presented in accordance with the applicable financial reporting framework in its Consolidated Financial Statements. Other companies that report or describe similarly titled alternative performance measures may calculate them differently.

Due to rounding, numbers presented throughout this and other documents may not add up precisely to the totals provided and percentages may not precisely reflect the absolute figures.
