Lleida.net and The Professional Couriers launch the concept of digital Courier in the United Arab Emirates (UAE)

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 06/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, "Lleida.net" or The "Group").

Lleida.net and The Professional Couriers (TPC <http://www.tpcglobe.com>), a company with origins in India and with 125,000 global workers, have a joint service development agreement and launch in the United Arab Emirates the concept of Digital Courier for public and private companies.

As a result of this agreement, TPC uses Lleida.net's patented technology to send Registered SMS, Registered email as well as Registered electronic contracting being particularly relevant to the new UAE standards for claiming outstanding payments.

Once up and running in the Emirates, the intention is to export it to other countries where TCP is implemented, such as India, Kuwait, Singapore or Sri Lanka.

We are available for any clarifications needed

Yours sincerely
