## **RELEVANT EVENT**

### **The Subsecretaría de Telecomunicaciones of the Chilean Ministry of Telecommunications and Transport (SUBTEL) grants Lleidanet Chile SPA a telecommunications operator licence**

Under the provisions of Article 17 of the Regulation (EU) n°596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we hereby inform you of the following:

The Lleida.net subsidiary, Lleidanet Chile SPA, has obtained the telephony licence operator over internet and SMS granted by Chilean regulator SUBTEL by decree 165 dated 12 July 2019, processed by the Contraloría Gral de la República on 31 December 2019 and notified on 15 January 2020 and will be in force for thirty years.

This licence will allow new interconnection agreements with Chilean operators that will increase the transit of our Interconnection department and the strengthening of certification, contracting and notification services of Lleida.net in the country.

This licence will also increase the turnover of our SaaS division and thus mirror the success obtained in Spain and other Latin American countries in banking, insurance, telecommunications, leasing and energy services

We are available for any clarifications needed. Regards,

Francisco Sapena Soler, CEO
