RELEVANT EVENT

The European Patent Office grants Lleida.net the European patent for its registered delivery of electronic mail

Under the provisions of Article 17 of the Regulation (EU) n°596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we hereby inform you of the following:

The European Patent Office has granted Lleida.net the European patent EP2723023 for its for its registered receipt of electronic email called “METHOD FOR THE REGISTRATION AND CERTIFICATION OF RECEIPT OF ELECTRONIC MAIL”.

The term of patent is currently in force for 20 years, it is the third European patent on registered methods, as well as digital witness for electronic contracting and electronic notification granted to Lleida.net out of a total of 108 patents and with over 250 patents in provisional protection.

The granting of this patent will enable the company to generate during its entire lifetime, additional revenues in the SaaS sector estimated at 5 million euros since it is used in registered electronic records of documentation entry procedures, both in public and private administration. Likewise, this patent is the final granting of the method used by La Liga, published in the relevant event dated February 11, 2020, over which Lleida.net already had provisional protection.

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler, CEO
