RELEVANT EVENT

LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.

The Russian federal Service for Intellectual Property, known as Rospatent, grants Lleida.net the patent for its registered email method with qualified electronic signature.

Under the provisions of Article 17 of the Regulation (EU) nº596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we hereby inform you of the following:

Lleida.net, the leading company in the field of electronic notification and certification, has been granted from The Russian federal Service for Intellectual Property, the patent number RU2018123013 for its registered email method with qualified electronic signature under the name **METHOD FOR THE CERTIFICATION OF ELECTRONIC MAIL CONTAINING A RECOGNISED ELECTRONIC SIGNATURE ON THE PART OF A TELECOMMUNICATIONS OPERATOR**".

The term of patent is currently in force for 2036, it is Lleida.net second patent on registered methods as well as of digital witness for electronic contracting and electronic notification granted to Lleida.net by Russian federal Service for Intellectual Property, known as Rospatent.

The Lleida.net method allows the sending of digitally signed registered email with a qualified signature without breaking that signature at the time of the certification, as in other methods, generating a certificate with legal validity that can be submitted as evidence in court to proof the sending, the content, delivery and non-manipulation of information the message.

The granting of this patent will allow the company to expand its business in Russia, in a thriving sector with great potential, such as electronic contracting and notification, and which is booming and necessary in the current circumstances where they are necessary. effective online tools.

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler, CEO
