Madrid, 11 May 2020.

Relevant event:

Lleida.net will provide ZamPost with Registered SMS and Registered email service to its clients.

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 06/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, "Lleida.net" "The Company" or The "Group"):

The company ZamPost has contracted Lleida.net, through its local partners, electronic notification by SMS and Registered email services to provide it to its customers in the country.

ZamPost, the national postal office in Zambia, is the leader in its country as for postal and parcel services, as well as wages services, money transfer and road and insurance tax management, serving Zambia's current population of 17 million people.

Alongside Zampost, there are already 4 national postal companies providing Registered email and Registered SMS services with Lleida.net patented technology , proving that continuous innovation and investment in R&D and patents by the company is effective step in the growth of its global market.

We are available for any clarifications needed

Yours sincerely,

Francisco Sapena Soler

CEO and Chairman of the Board of Directors
