**Lleida.net wins Ibercaja debit balance notification contract.**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 06/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, "Lleida.net" "The Company" or The "Group"):

Lleida.net has won the contract for the registered notification of Ibercaja's debit balances in an automated way, in which the certification systems by email and text messages patented by the company are going to be used.

Ibercaja Banco is the eighth Spanish banking group and has more than three million customers and 1,200 branches spread across the country.

The need for optimizing processes and the cost improvement in the banking sector is boosting the adoption of Lleida.net certification processes, since it immediately and automatically issues the evidence of the notification of debit balances to proceed and solve these more effectively.

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler

CEO and Chairman of the Board of Directors
