

Madrid, 02 June 2020.

**Other relevant information:**

**Lleida.net will provide DOCALIA with identity document reading and verification service to Rural Banks.**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 06/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A. (hereinafter, “Lleida.net” “The Company” or The “Group”):

DOCALIA S.L has contracted the services of OCR and identity verification (eKYC) of identity documents such as DNI, passports, green cards, etc., through certified notifications from Lleida.net for the clients of the Rural Savings Banks. DOCALIA S.L. is the personalization company for Communication with its Clients of the Caja Rural Financial Group.

The need to keep customer documentation in financial environments up-to-date in the most automated way possible, as well as the need to demonstrate their requirement to the relevant authorities, makes registered identity notification and verification services (eKYC) patented by Lleida.net have greater demand in regulated environments to avoid undesirable situations.

We are available for any clarifications needed

Sincerely,

Francisco Sapena Soler

CEO and Chairman of the Board of Directors
