Other relevant information

LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.

Lleida.net gets three new patents in Europe on its certification methods: two in Serbia and one in Slovakia

Under the provisions of Article 17 of the Regulation (EU) n°596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we hereby inform you of the following:

Lleida.net, a leading company in the field of electronic notification and certification, has received from the Industrial Property Office of the Slovak Republic the patent **2723023_RS** corresponding to its method of receiving certified email and the patent **3188435_RS** corresponding to its method email address with qualified electronic signature.

It has also received from the Industrial Property Office of the Slovak Republic the patent **E33367** corresponding to its certified email method with a qualified electronic signature.

The three concessions will remain in force for 20 years and derive from European patents EP3188435 “**Method for certifying an electronic mail comprising a trusted digital signatura by a telecommunications operator**” and EP2723023 “**Method for the registration and certification of receipt of electronic mail**”

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler, CEO
