New patent on registered receipt granted to Lleida.net by the Spanish Patent and Trademark Office

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market, we inform LLEIDANETWORKS SERVEIS TELEMÀTICS S.A.: (hereinafter “Lleida.net, or “the Company”) wishes to inform the following:

A new patent on registered electronic mail receipt, under the name ‘**Method for the registration and certification of receipt of electronic mail**’ and number **ES2776482T3**’ was granted to Lleida.net by the Spanish Patent and Trademark Office (SPTO). The patent is the national validation of the European patent **EP2723023** under the name ‘**Method for the registration and certification of receipt of electronic mail**’, granted in March 2020. The concession is for 20 years.

The registered receipt of electronic mail is a very important aspect to take into account in online contracting processes, as well as in any process in which an official record to prove the reception of any documentation in public administrations and big private organizations is needed.

This is the 183th worldwide patent granted to Lleida.net on online registration, notification, and contracting, being one of the biggest patent portfolios in the industry worldwide.

We look forward to being able to answer any appropriate question.

Sincerely,

Madrid, 10th August, 2020.
