**Other important information
LLEIDANETWORKS SERVEIS TELEMÀTICS S.A.**

The Canadian Intellectual Property Office (CIPO) has granted Lleida.net the patent for its certified email reception method.

In accordance with the provisions of Article 17 of Regulation (EU) No. 596/2014 on market abuse and Article 228 of the Consolidated Text of the Spanish Securities Market Act, approved by RDL 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Stock Market (MAB) regarding information to be provided by Growth Companies, LLEIDANETWORKS SERVEIS TELEMÀTICS S.A.: (hereinafter "Lleida.net", or the "Company"), hereby brings the following information to your attention:

The Canadian Intellectual Property Office (CIPO) has granted Lleida.net the patent for the certified email reception system called the '**METHOD FOR RECORDING AND CERTIFYING THE RECEPTION OF E-MAIL**' or also '**PROCEDE POUR L'ENREGISTREMENT ET LA CERTIFICATION DU RECU D'UN COURRIER ELECTRONIQUE**' with the number **CA2887321**. The concession is for a period of 20 years.

The method for certifying the reception of emails is currently used by customers of banking, insurance and supply companies to show emails received from customers, in addition to sports entities for sports auctions and, most recently, as email PO boxes by national postal entities.

Including this last patent, Lleida.net has already been granted a total of 185 patents worldwide for certification, notification, reception and online contracting methods, which is the result of the work the company has done and continues to do in R&D over the last ten years.

We are at your disposal to provide any additional information you should require.

Sincerely,

Madrid, 20th August 2020.
