Indra contracts Lleida.net registered notification and contracting services

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A: (hereinafter, “Lleida.net” the “Group” or the “Company”):

The company Indra (BDE: IDR) has contracted Lleida.net registered notification and contracting services to manage and to notify its contracts to its clients.

Indra is one of the leading global technology and consulting companies and the technology partner for the key operations of its clients' businesses around the world. It is a leading global provider of in-house solutions in specific segments of the Transport and Defence markets, and the leading company in digital transformation and Information Technology consulting in Spain and Latin America through its subsidiary Minsait. Its business model is based on a comprehensive offer of its own products, with an end-to-end approach, of great value and with a high levels of innovation.

The current circumstances caused by the health pandemic lead to the progressive adoption of registered contracting and notification tools in the above-mentioned sectors where Indra operates in together with Lleida.net registered services would allow for a greater flexibility and efficiency.

We remain at your disposal for any clarifications you may require.
Sincerely,

Madrid, 1 October 2020.
