The Telecommunications Regulatory Authority of the United Arab Emirates (TRA) accredits Lleida.net as a provider of registered services

Under the provisions of Article17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 3/2020 of BME MTF Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter Lleida.net, or the Company or the Company) brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

The Telecommunications Regulatory Authority of the United Arab Emirates (TRA) has accredited Lleida.net as a provider of registered electronic notification services. This accreditation is the formal recognition by the Emirati regulator of the electronic contracting and notification services that Lleida.net provides in the area directly through its subsidiaries and partners in the Emirates and that are based on the methodologies patented by the Company in the region.

The United Arab Emirates are not detached to the global trend in the use of electronic contracting and notification methodologies, so this recognition will definitely boost Lleida.net in the area, which is also an important focus of economic influence in the region.
