**LLEIDANETWORKS SERVEIS TELEMÀTICS S.A.**

**New trademark granted by the USPTO in the United States and two new patents in Slovenia and Malta**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 3/2020 of BME MTF Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter Lleida.net, or the Company or the Company) brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

The USPTO (United States Patent and Trademark Office) has granted the OPENUM trademark under international registration number 1491993, used by Lleida.net in its registered notification systems.

Likewise, the Slovenian patent office SIPO (Slovenian Intellectual Property Office) and the Malta Department of Commerce have granted patents SI2723023 and PT39022 respectively under the name “METHOD FOR THE REGISTRATION AND CERTIFICATION OF RECEIPT OF ELECTRONIC MAIL”.

With the granting of these two patents, the worldwide patent record granted to Lleida.net in the field of electronic signature and certification amounts to 194 patents. They are available at <https://www.lleida.net/es/patentes> or at <https://www.lleida.net/en/patents> .

The granting of this new registered trademark as well as the aforementioned two new patents once again highlights Lleida.net's commitment to investing in R&D as well as in managing its results in order to protect the value of its intellectual property assets in the different markets where it operates.

We remain at your disposal for any clarifications you may require.

Sincerely,

Francisco Sapena, CEO and Chairman of Board of Directors
