RELEVANT EVENT

LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.

The Chilean National Institute of Industrial Property (INAPI), has granted Lleida.net the patent for its method for creating registered electronic contracting.

Under the provisions of Article 17 of the Regulation (EU) nº596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 6/2018 of the Spanish Alternative Investment Market (MAB), we hereby inform you of the following:

Lleida.net, a leading company in the field of electronic notification and certification, has received from the National Institute of Industrial Property (INAPI) of Chile, the grant of the patent number **2015 - 000118** for its method of creating electronic contracts certificates named **"MÉTODO PARA LA GENERACIÓN DE CONTRATOS ELECTRÓNICOS CERTIFICADOS POR UN OPERADOR DE TELECOMUNICACIONES EN EL QUE UN USUARIO CLIENTE DEL OPERADOR CREA Y ENVÍA UN MENSAJE ELECTRÓNICO A UN RECEPTOR NO CLIENTE EL QUE CONTIENE AL MENOS UN CONTRATO ELECTRÓNICO PARA SER APROBADO POR EL RECEPTOR Y CERTIFICADO Y FIRMADO POR EL OPERADOR"**

The term of patent is currently in force for 20 years, it is Lleida.net second patent on registered methods as well as of digital witness for electronic contracting and electronic notification granted to Lleida.net by INAPI , National Institute of Industrial Property

The method of Lleida.net allows the use of email for the generation of registered contracts efficiently and seamlessly, generating a documentary evidence with legal validity that can be presented as evidence in court to prove the sending, the content the delivery, and non-tampering of the message.

The granting of this patent will allow the company to expand its business in Chile, in a thriving sector with great potential, such as electronic contracting and notification, and which is booming and necessary in the current circumstances where they are necessary. effective online tools.

We are available for any clarifications needed.

Sincerely,

Francisco Sapena Soler, CEO
