LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.

**Lleida.net and eGate Egypt sign an exclusive
distribution agreement for the Egyptian market**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 3/2020 of BME MTF Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter “Lleida.net”, or the “Company ”or the “Enterprise”) brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

Lleida.net and eGate Egypt have signed an exclusive distribution agreement that will allow eGate to distribute Lleida.net’s electronic notification and contracting services in the country, as well as the identity verification and user registration processes (EKYC), focusing on providing services to the banking, insurance, communications and public sectors.

Egypt is the most populous Arab country, with more than 100 million people, 95 million mobile phones and 59 million internet connections, having grown more than 8% during the pandemic. It is a market with vast potential in which Lleida.net products could be welcome as in other Arab countries since they are perfectly adapted to the Arabic language and allow dual-language certifications, that is, Arabic-English or Arabic-French and overcoming language barriers, especially in transactions with a pronounced international dimension.

The company estimates that Egypt will account for 15% of the group's international SaaS transactions over the next three years.

We remain at your disposal for any clarifications you may require.
