**(INDOTEL) extends the authorisation of Lleidanet Dominicana S.R.L.'s digital trust and certification services.**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 228 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 3/2020 of BME MTF Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter "Lleida.net", or the "Company" or the "Enterprise") brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

The Board of Directors of the Dominican Institute of Telecommunications (INDOTEL), by its resolution number 038-2022, has agreed to extend the authorisation of the digital trust services provided by Lleidanet Dominicana S.R.L. to the following services:

- Services for Generation and Issuance of Qualified Digital Certificates
- Services for Generation and Issuance of Qualified Electronic Seals
- Services for Signature Creation Data Management and Qualified Sealing Services
- Services for the Validation of Electronic Signatures, Advanced Electronic Signatures and Qualified Signatures
- Time Stamping and Chronological Stamping Services
- Qualified Electronic Certified Delivery Services
- Electronic Signatures Generation Services

Furthermore, this authorisation extension is the first result of the merger of technologies between Lleida.net and newly acquired Indenova, to be followed by similar agreements and authorisations in those countries where either company operates. These services are expected to increase Lleidanet Dominicana SRL's turnover by one million euros over the next three years.

We are available for any clarifications needed.
