**Indenova wins the tender for the process automation service
of SEDAPAL in Peru.**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 227 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015, of 23 October and related provisions, as well as Circular 3/2020 of BME MFT Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter "Lleida.net", or the "Company" or the "Enterprise") brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

SEDAPAL, the Lima Sewerage and Drinking Water Service, has appointed Indenova, a 100% subsidiary of the Spanish-listed company Lleida.net, to provide process automation services for 3,300,000 soles (850,000 euros at the current exchange rate) over the next three years.

The agreement is one of the first successes of the merger of Indenova's services and staff with those of Lleida.net. More agreements like it will be made in the coming months and in the countries where both companies are present.

Sedapal will optimise its processes to provide better customer service, thereby supporting the Peruvian government's Strategic Objective of "Improving the Quality of Services" to their citizens.

Lleida.net's expansion strategy in the signature, notification, electronic contracting and process automation market is based on working with clients with many users using our technology, allowing significant time and cost savings, whilst minimising the time required for the development of commercial processes and customer relations.

We remain at your disposal for any further clarification you may require.
