**OTHER RELEVANT INFORMATION  
LLEIDANETWORKS SERVEIS TELEMÀTICS S.A.**

**The Korean Intellectual Property Office grants Lleida.net a patent on its EIDAS-certified notification method**

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 227 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015 of 23 October and related provisions, as well as Circular 3/2020 of BME MFT Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter "Lleida.net", or the "Company" or the "Enterprise") brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

The European Patent Office has granted Lleida.net the European patent number 10-2462411 on its EIDAS-registered contracting method named

**"PLATFORM AND METHOD OF CERTIFICATION OF AN ELECTRONIC CONTRACT FOR ELECTRONIC CERTIFICATION AND TRUST SERVICES (EIDAS)".**

The grant, valid for 20 years, is the fourth European patent on certification and notification methods, as well as digital witness in electronic contracting and notifications received by Lleida.net out of 218 patents currently granted worldwide.

The granting of this patent will generate additional revenues in the SaaS segment for the company throughout its lifetime of around 3 million euros, as it is the first patented method operating under the eIDAS umbrella, which requires identification by the electronic signature of the signing parties for the signature to be indubitable in a court of law.

Lleida.net's growth strategy in the electronic signature, notification and contracting market in those countries where the company operates and the ones where the company is planning to be in the future is based on a solid policy of growth in intellectual property and R&D, as well as a reinforcement of its internationalisation policy.

With this latest patent, Lleida.net has 218 global patents granted on certification, notification and online contracting methods since the company was first listed on the stock market. You can find the list of patents at <https://www.lleida.net/en/patents>.

We remain at your disposal for any further clarification you may require.
