Customer service spin-off

Under the provisions of Article 17 of the Regulation (E.U.) No 596/2014 regarding market abuse and article 227 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 4/2015 of 23 October and related provisions, as well as Circular 3/2020 of BME MFT Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter "Lleida.net", or the "Company" or the "Enterprise") brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

Lleida.net has decided to suspend the registered e-mail and registered sms service to the postal company 4-72 (Servicios Postales Nacionales S.A.), which manages Colombian postal services.

Due to non-payments accrued by 4-72 to Lleida.net, amounting to approximately 391,000 euros (2,000 million Colombian pesos), the decision has been taken.

Lleida.net has been working regularly with 4-72 since 2014 successfully until now. Colombia is an important market for Lleida.net, with a team of around 30 people.

From 2018 to 2022, Lleida.net invested more than one million euros in the country, with over 200 customers, including several of the country's leading financial institutions.

Lleida.net's executive management team in Spain and Latin America has contacted 4-72, which reports directly to the country's Ministry of Information and Communication Technologies and continues to await a satisfactory response from them.

We remain at your disposal for any further clarifications you may require.

Sincerely,

Madrid, 14 March 2023

Sisco Sapena, CEO and Chairman of the Board
