**OTHER RELEVANT INFORMATION
LLEIDANETWORKS SERVEIS TELEMÀTICS S.A.**

Lleida.net gets the patent for its registered e-mail method in India.

In accordance with the provisions stated in Article 17 of Regulation (EU) No. 596/2014 on market abuse, as well as the consolidated text of the Securities Market Law approved under Article 228 of Law 6/2023 dated March 17, and other relevant provisions, including Circular 3/2020 of the BME Growth segment of BME MTF Equity concerning information requirements for Expansion Companies, LLEIDANETWORKS SERVEIS TELEMÀTICS S.A. (referred to hereinafter as "Lleida.net," the "Company," or the "Issuer") hereby presents the following information. This information has been prepared under the sole responsibility of the issuer and its directors.

Lleida.net, a Spanish listed company (OTC.US) (ALLLN.PA) (LLN.MA), operates as a prominent player in the electronic signature, notification, and contracting industry, and hereby provides certification of this status.

The grant, in force for 20 years, raises to 301 the number of patents worldwide awarded to Lleida.net on its certification and notification methods, as well as digital witness in electronic contracting and notifications.

The patent has been granted in the largest country in the world, boasting a population of 1,428 million and a mobile market penetration of over 1.25 billion, of which more than 850 million are smartphones.

This method, currently patented in 60 countries, reached a significant milestone on 29 May 2023, as 100 million registered emails were issued since the service's initiation at the end of 2012. The second 50 million emails were generated over the past two years.

The granting of this patent will enable the company to generate additional revenues in the SaaS segment, estimated to be around 10 million euros throughout its lifespan.

Lleida.net's growth strategy in the electronic signature, notification and contracting market is based on a solid growth policy in intellectual property and a reinforcement of its internationalization policy.
