Lleida.net signs two new contracts with the Colombian Government valued at €665,000

Under the provisions of Article 17 of the Regulation (EU) No 596/2014 regarding market abuse and article 227 of the modified text of the Spanish Stock Market Act, approved by Spanish Royal Legislative Decree 6/2023, of 17 March and related provisions, as well as Circular 3/2020 of BME MFT Equity on information to be provided by Growing Companies, we are hereby informing you of the following information relating to LLEIDANETWORKS SERVEIS TELEMÀTICS, S.A.: (hereinafter “Lleida.net”, or the “Company” or the “Enterprise”) brings to your attention the following information that has been prepared under the exclusive responsibility of the issuer and its administrators:

The technology services company Lleida.net (BME: LLN) (EPA: ALLLN) (OTCQX: LLEIF) has signed renewal contracts in Colombia worth €665,000.

The contracts, now in effect, mark a substantial advance for Lleida.net in the South American market, reinforcing its Colombian subsidiary, which has been operating since 2018.

Both contracts fall under the company's new SaaS service line, Lleida.net PKI—a development from the Valencian firm Indenova, acquired by Lleida.net in 2021.

The first contract, with Colombia's Ministry of Finance and Public Credit, is valued at €443,000 and runs through July 2026, with options for renewal.

The second contract, valued at €222,000, is with Colombia's Superintendency of Surveillance and Private Security, the authority responsible for oversight of the private security sector in Colombia. This contract is renewable on an annual basis.

Lleida.net PKI offers SaaS solutions for digital identity issuance and validation, digital certification (PKI), and process automation powered by BPM technology.

Please do not hesitate to reach out for further information.
